

LITERACY INTERVENTION POLICY

PURPOSE

To enable all children to have the best opportunity to reach their potential in regards to Literacy.

GUIDELINES

- A Literacy Intervention Coordinator will be appointed. Their role is to monitor all children who require and are receiving additional assistance with Literacy.
- A Reading Recovery program will be conducted for grade one children at risk.
- Following usual assessment procedures class teachers will initiate Individual Learning Improvement Plans which are negotiated with the child's parents and reviewed on a regular basis.
- The classroom teacher in consultation with their sub school leader and the Literacy Intervention Coordinator will develop programs for children who are at risk.

EVALUATION

This policy will be reviewed as part of the school's cyclic review process.

The effectiveness of this program will be determined by an improvement in each child's Literacy skills.

This policy will be reviewed in July 2011.
